Since we aren't having an officer meeting this Monday, here are a few comments and questions I need answered by whomever can.

- For initiation, I will need all the initiates keys, signed certificates, creed cards, motto slips, and roll book. Where will they be?
- Do we have a board that the keys are pinned to for the initiation ceremony? Where do I find it?
- Do we have any eminent-engineer candidates?
- Jenny, talk to Kellee Miller at the Collegian (532-6556) about coverage. The best time to catch her is from 4-5.
- Dr. Fowler, will we be providing the robes for the speakers at the initiation ceremony?
- I need good flashlights for the ceremony. Does ANYONE have any I can borrow?

Thanks,
Chris

Chris - I have the bents and certificates in my office. They came in
yesterday and this morning.

The other items probably are in S164E.

Chris - Sometimes we have used cardboard. I doubt if we still have
one. If we do, it would be in S164E.

Chris - We have one eminent engineer, Dr. Anil Pahwa. One Sigma Tau By
Other Chapter (BOC), i.e., South Dakota State U., Dean Hayter. One
undergraduate BOC, i.e., Rhode Island Beta, Curtis B. Carlsten.

Emily or Scott,
That collegian contact is for you.

The **creed cards and motto slips** should be in our office, if they are not then Carrie should have them.

This is all that I know.
Have a great day!
Jenny

I got all of the certificates for the initiates this morning. Also, all but Dean Hayter's & Dr. Pahwa's bents came in.

Someone needs to pick them up and put them in a safe storage place.

Where are the black initiation robes? What condition are they in?

Subject: A slight change in schedule

Because I give a "play by play" description of setting up the equipment just before the ceremony at 1:30 on Saturday, we will change the schedule as follows:

Initiates should be in the room or hallway where they line up NO LATER THAN 1:15 PM.

Ritual Committee members should arrive at the hall where the ceremony will take place NO LATER THAN 1:25 PM.

This will give the ritual committee a little extra time to eat lunch and get to the hall.

Please send me a status message this evening so I can get it Thursday during the day or early evening with any questions you might have or other comments you may have about the Initiation Setup instructions I sent you earlier.

Thanks for your help.

Subject: Schedule for Ceremony

Because I give a "play by play" description of the setting up of the equipment before the ceremony, the Initiation Team need not get to the hall until 1:25 PM on Saturday October 10. This will give you time to put on robes if KSU uses them and for a brief sound check and an abbreviated run through of the ceremony.

If you have any questions, please send me e-mail tonight that I can read Thursday afternoon or early evening. I will be in Albuquerque NM from October 2 through 4 and home for the morning of October 5. I begin my trip to Manhattan KS with an appointment in Pueblo CO Monday night and then driving to Junction City KS Tuesday.

Thanks for your help. I'll see you Friday October 9 at the Holiday Inn Conference Room #2 at 2:00 PM for the rehearsal. Please bring the copies of the parts I sent to each of you. Jim Froula will prepare several copies of the list of people who will be inducted into TB* with him.
